# American Society of Pediatric Nephrology Board Review ONLINE Course

This program is supported by a restricted medical education grant from the American Society Pediatric Nephrology.

This Program is supported in part by the International Pediatric Nephrology Association

# American Society of Pediatric Nephrology Board Review Course

## List of Presentations

### Overview

Designed to prepare candidates for their pediatric nephrology board examinations, the American Society of Pediatric Nephrology Board Review Course will provide a review of pertinent topics in pediatric nephrology. The program includes lectures and slides presented by a distinguished panel of experts in the field of pediatric nephrology. In addition, participants will receive over 400 board review sample questions and answers to the American Board of Pediatrics Content Specifications.

### Target Audience

The course is targeted to pediatric nephrology fellows and practicing pediatric nephrologists.
